

Insider Trading Report

* This summary starts with each insider's opening balance as of June 2, 2014, if any. Balance includes shares held by individual directly, or indirectly, or by entities which he or she controls.

* All data is provided to the corporation by the individual insider. The insider is responsible to provide the data to the corporation within two days following the transaction. For instance if shares are bought on a Tuesday, the insider must file a report before 3:00 pm MST on the Thursday of the same week.
