

ANNUAL AND SPECIAL MEETING OF SHAREHOLDERS NOTICE AND ACCESS NOTIFICATION TO SHAREHOLDERS

You are receiving this notification as Petrus Resources Ltd. ("**Petrus**") has decided to use the notice and access model for delivery of meeting materials to beneficial holders ("**Beneficial Shareholders**") of common shares of Petrus ("**Common Shares**") for the annual and special meeting (the "**Meeting**") of holders of Common Shares which will be held on Tuesday, May 8, 2018 at 2:00 p.m. (Calgary time).

NOTICE-AND-ACCESS

Beneficial Shareholders will receive a proxy or voting instruction form enabling them to vote at the Meeting. However, instead of a paper copy of the notice of meeting and information circular and proxy statement ("**Information Circular**") and Petrus' financial statements and related management's discussion and analysis for the most recently completed financial year end ("**Financial Information**"), Beneficial Shareholders receive this notice with information on how they may access such materials electronically. The use of this alternative means of delivery is more environmentally friendly as it will help reduce paper use and also will reduce the cost of printing and mailing materials to shareholders.

Petrus has also elected to use procedures known as "stratification" in relation to Petrus' use of the "notice-and-access" provisions (the "**Notice-and-Access Provisions**") under National Instrument 54-101 – *Communication with Beneficial Owners of Securities of a Reporting Issuer*. Stratification occurs when a reporting issuer using the Notice-and-Access Provisions provides a paper copy of an information circular and, if applicable, a paper copy of Financial Information, to some shareholders together with a notice of a meeting of its shareholders. In relation to the Meeting, registered holders of Common Shares will receive a paper copy of the notice of the meeting, the Information Circular and a form of proxy, whereas all Beneficial Shareholders will receive this notice containing information prescribed by the Notice-and-Access Provisions and the accompanying voting instruction form. Petrus intends to pay for intermediaries to deliver proxy-related materials to objecting Beneficial Shareholders. Furthermore, a paper copy of the Financial Information in respect of Petrus' most recently completed financial year will be mailed to those registered shareholders and Beneficial Shareholders who previously requested to receive such information.
