#### ***Forward-Looking Statements***

Certain information regarding Petrus set forth in this press release contains forward-looking statements within the meaning of applicable securities law, that involve substantial known and unknown risks and uncertainties. The use of any of the words "anticipate", "continue", "estimate", "expect", "may", "will", "project", "should", "believe" and similar expressions are intended to identify forward-looking statements. In particular, forward-looking statements in this press release include, but are not limited to, statements with respect to Petrus focus on developing its inventory of low risk, high return properties in Alberta to grow cash flow and reduce debt and its intention to reduce overhead costs while rewarding its employees with good earnings, job security and support for their communities. Such statements represent Petrus' internal projections, estimates or beliefs concerning, among other things, an outlook on the estimated amounts and timing of capital investment, anticipated future debt, production, revenues or other expectations, beliefs, plans, objectives, assumptions, intentions or statements about future events or performance. These statements are only predictions and actual events or results may differ materially. Although Petrus believes that the expectations reflected in the forward-looking statements are reasonable, it cannot guarantee future results, performance or achievement since such expectations are inherently subject to significant business, economic, competitive, political and social uncertainties and contingencies. Many factors could cause Petrus' actual results to differ materially from those expressed or implied in any forward-looking statements made by, or on behalf of, Petrus.

These forward-looking statements are subject to certain risks and uncertainties, some of which are beyond the Company's control, including the impact of general economic conditions; the renewal and continued availability of the Company's credit facilities, volatility in market prices for crude oil, NGL and natural gas; industry conditions; currency fluctuation; any future asset acquisitions or dispositions; and other risks. With respect to forward-looking statements contained in this press release, Petrus has made certain assumptions, including in relation to future borrowing base reviews. Management has included the above summary of assumptions and risks related to forward-looking information provided in this press release in order to provide shareholders with a more complete perspective on Petrus' future operations and such information may not be appropriate for other purposes. Petrus' actual results, performance or achievement could differ materially from those expressed in, or implied by, these forward-looking statements and, accordingly, no assurance can be given that any of the events anticipated by the forward-looking statements will transpire or occur, or if any of them do so, what benefits that the Company will derive therefrom. Readers are cautioned that the foregoing lists of factors are not exhaustive. These forward-looking statements are made as of the date of this press release and the Company disclaims any intent or obligation to update any forward-looking statements, whether as a result of new information, future events or results or otherwise, other than as required by applicable securities laws.
